Discipline-Related Articles From Volumes 1-4

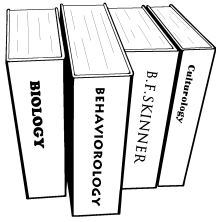

This section contains the conceptual articles, related both to the behaviorology discipline and to education, featured in volumes 1 to 4 of the newsletter/magazine that was originally named *TIBI News Time*. Generally, reprinted articles appear in the same order as their original appearance. Also, in some cases, reprinted articles received some minor edits to enhance their reappearance. Relevant comments from earlier editorials appear after the author's affiliation or at appropriate points in the text. Wherever meaningful, the most recent versions of the references will be the ones cited. As indicated, this section has its own table of contents, presented here:
